This Information Disclosure Statement is filed more than three months after the date of entry of the national stage of a PCT application, and after the mailing date of the first Office Action on the merits, but before the mailing date of any of a Final Office Action, a Notice of Allowance (37 CFR 1.97(c)) or an action that otherwise closes prosecution in the application.

A translation is submitted herewith for the foreign patent reference RU-2090215-C1 listed on the attached PTO/SB/08. The translation was prepared by a Russian contact of the

In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.
